

Course progression map for 2016 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the <u>Handbook</u>.

M6003 Master of Biomedical and Health Science

Year 1 Sem 1	BMS5001 Introduction to research and research methodology (12 points)		BMS5002 Research skills and techniques (12 points)
