

Course progression map for 2019 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

B2017 Bachelor of Business and Bachelor of Information Technology

You have the flexibility to rearrange your Bachelor of Business progression according to your choice of major, provided you plan around prerequisites. If your Business major includes a unit from Part A: Business specified study, you'll need to complete another unit offered by the Monash Business School at Caulfield campus to reach the required 16 Business units.
