

Course progression map for 2019 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

B2029 Bachelor of Accounting

You have the flexibility to rearrange your Bachelor of Accounting progression, provided you plan around prerequisites. If you wish to do a second major, especially one from another faculty, you must fit the second major in your Part D elective space (48 credit points). You might need to seek further advice from Student Services. In this single degree, you can complete **no more than 10 units (60 credit points) at Level 1.**
