

Course progression map for 2019 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

B2030 Bachelor of Commerce and Bachelor of Actuarial Science

Due to the double degree structure, the Actuarial studies major is not available in the Bachelor of Commerce.
