

Course progression map for 2019 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the [Handbook](#).

Bachelor of Paramedicine

Year 1 Semester 1	BMA1011 Foundations of anatomy and physiology for health practice 1	PAR1021 Introduction to paramedic research and evidence	PAR1031 Paramedic professional practice	PAR1011 Foundations of paramedic practice 1
